2017 Winter School on Frontier and Inter disciplinary Sciences for the Oversea Students in IC-UCAS

2017 Winter School on Frontier and Interdisciplinary Sciences for the Oversea Students is an innovative training project co-sponsored by International College of UCAS (IC-UCAS), CAS-TWAS President's Fellowship Program. The Winter School is a breakthrough program after spring school and summer school. The Winter School will focus on pertinence, crossover of subjects and scientific – educational integration. University of Chinese Academy of Sciences is promoting the scientific – educational integration and university-institute integration mode, building an extraordinary scientific – educational integration center with institutes of CAS. The IC-UCAS aims to make fully use of the advantages of scientific- educational resource of CAS, accelerate the internationalization of CAS and UCAS, and create an international academic atmosphere and processing the education of international students. The guiding principle of IC-UCAS is “unified enrollment, education management and degree conferment; faculty-institute’s fusion on leadership, faculty, management and cultivating system”. With the concept of “Internationalization, Openness, Comprehensiveness and Perceptiveness”, International College will strive to become a unique and world renewed college.

2016 Winter School will held by the Institute of Deep-sea Science and Engineering, Chinese Academy of Sciences (IDSSE, CAS) from January 14th to 20th 2017 at IDSSE. Most honored professors from institutes of CAS will present students the cutting-edge theories and research methods concerning Earth science, life science and information science. Here is the detailed announcement:

1. The registration conditions

International students of UCAS

2. Online Registration

- 1) Registration Time: Registration begins as from today and the deadline is December 20th, 2017.
- 2) Firstly go to the website <https://www.wjx.top/jq/19193472.aspx> for online registration
- 3) Then fill in the attached Application Form to apply for the winter school

- 4) Print the Application Form and it needs to be approved by your supervisor with his/her signature
- 5) Submit the signed application form to educational administrative department of your institute (Not IC-UCAS) for approval

3. Registration Quota:

60~80 students

4. Approval and funding

The educational administrative department of institute or college will check the students' application form and decide who can be selected (The number of selected students of each institute will be enslaved to the Registration Quota and the particular situations) .
